Mayor Davis announced that the meeting was being conducted on Monday, one day earlier than normal because the election would be taking place on Tuesday, the regular meeting day.

Alderman Baker made a motion to approve action by the City Attorney. Alderman Riley provided a second. After several minutes of discussion, Alderman Baker amended the motion to authorize an *investigation* into the issue and to recommend a course of action. Alderman Riley offered a second to the amended motion. In a roll call vote, Aldermen Smith, Holsomback, Riley, Baker, Kemp and Riley voted "Yes." There was no opposition. The motion passed.

Comments:

Recorder-Treasurer Wilson stated that false information concerning tax increases had been distributed to voters in the proposed annex area and that correct information should have been publicized.

Citizen Mary Tuggle asked what could be done to get more citizens to attend council meetings. Mayor Davis responded that in the past some efforts had been made but not a lot of results were forthcoming. He noted however, that if he or the Council proposed an action that people disagreed with he always heard from the community and turnout was high. He has decided to take low attendance as a signal that things were acceptable to the community.

A Motion to Adjourn was made by Alderman Kemp. A second was supplied by Alderman Riley. Motion was approved by voice vote with no opposition.

The Meeting Adjourned at 6:45pm.
